About Luvanex Foundation – Our Parent Organization

Luvanex Foundation is the non profit arm of Luvanex Realty Group. We are an organization with the God-given mandate to win and disciple souls for the Kingdom. We spearhead end time initiatives, train and develop vessels of honor whom God can use to save mankind from eternal damnation and bring them to the awareness and fulfillment of their purpose here on earth. We do this by raising marketplace ministries that bring men and women back to the heart of the Father.

In September 2021, the Foundation began building tribes from diverse ethnic groups who have yielded the call to be willing vessels equipped to function as kingdom ambassadors within their desired professions and businesses. First, we launched Entrepreneurs In Christ which is now being referred to as The Tribe of Marketplace Ministers. Next we launched The Kings Arrow Network in January 2023 – Kings Arrow is a women only ministry focused on raising women in righteousness and power. With the help of the Almighty, we launched Prayer Watch in September 2023. Prayer Watch is an iOS and Android application based software that helps Kingdom believers grow a fervant prayer life. It is our hope that these initiatives and many more to come, will become the elixir to the problems of emptiness and the search for peace which every soul longs for regardless of race, ethnicity, social class or background

Our Humble Beginnings

In December 2020, Damola Adelakun, the Executive Director and Co-Founder of The Tribe of Marketplace Ministers went on a personal retreat. This retreat took place from Monday December 28th, 2020 and ended on Thursday December 31st, 2020. He intended to spend the retreat seeking the face of the Lord after a failed business venture in Nigeria. He prayed for 6hrs non-stop on each day of the retreat and on Wednesday December 30th, 2020 at about the 4th hour of prayer he began to hear the voice of the Holy Spirit clearly. "Raise me a tribe of marketplace ministers who are gifted with the spirit of entrepreneurship" – As he probed

further, the Spirit of God began to give the template of what we first called Entrepreneurs In Christ. Emi and Damola spent the first 6 months of 2021 in prayers, laying the foundation of this initiative on Christ. Next Damola and Minister Yemi along with Dr. Michael Nkrumah prayed about it for 3months prior to the launch in Accra, Ghana & Abuja, Nigeria in September 2021. Afterwards, they sought the counsel of spiritual mentors to ensure spiritual oversight of this great initiative and it has truly been a blessing seeing the lives that have changed since this initiative started.

A CONVERGENCE OF MARKETPLACE MINISTERS & KINGDOM PROFESSIONALS

About Us

The Tribe of Marketplace Ministers was the first initiative launched under The Luvanex Foundation. We are a tribe of marketplace ministers doing business with godly values and with an emphasis on marketplace ministry. We have a call to disciple Kingdom Professionals, Business owners and those fully employed in various countries around the world and that commitment has started with the African continent. We are currently in Nigeria, Ghana, Kenya, Tanzania, South Africa, Cameroon, Zimbabwe, Zambia, Rwanda, Botswana, Namibia, DR Congo, and Angola helping Kingdom minded Christians maintain a righteous stand with God and discipling those who have a call upon their lives to become ministers in the marketplace of industries and nations.

As a network of emerging business men and women who are firm believers in the gospel of the Kingdom of God. We come together on a weekly basis, to dissect the word of God and sharpen each other in the Spirit as we wait on God for direction in business and life. We are also passionate about educating other Christians struggling to build their faith, either as kingdom professional or marketplace ministers.

QUESTIONS WORTH ASKING.

- Why am I in the Marketplace?
- What is the reason I became a Marketplace Minister?
- How is God taking glory in and through my life?
- What spiritual impact has my business/profession/career had on people around me?
- Am I working for money? Is there something more to the business world?

These are the questions that shape our mandate and call at our Tribe. We sincerely hope this brochure helps you answer these questions.

Are You A Kingdom Professional?

A Kingdom professional is a person who adds value to the society by using their business or career/work platform as a pulpit for the manifestation of God's kingdom here on earth. Romans 8:19 says, "For the creation waits in eager expectation for the children of God to be revealed." A Marketplace Minister gets revealed through the targeted interventions they bring to the circular workplace through their business or office. Also, God commands us in Matthew 28:18-20 to take the gospel into the world, making disciples of all nations.

Taking It A Step Further

Now a Marketplace Minister, is a person with a 'marketplace ministry' call upon their life. He or she understands that there is a higher purpose to doing business. They realize God has given them their gift and platform to preach the message of His Kingdom, destroy the works of darkness in the lives of fellow Kingdom Professionals and to become living epistles, vessels that bring honor and glory to the Father in heaven.

The Tribe of Marketplace Ministers is home to many hundreds of Kingdom Professionals who have the desire to be steadfast in their walk with God in the marketplaces of nations. We are also a training ground for many of these kingdom agents who are in the process of answering the call to marketplace ministry. Our end goal is to equip and empower every marketplace minister to be a foot soldier passionate about fulfilling the great commission through marketplace ministry.

The Journey So Far

(Countries of Impact)

The Tribe of Marketplace Ministers has been privileged to plant our vision in few countries. The vision was launched in September 2021 in the great nations of Accra, Ghana & Abuja, Nigeria. Presently we have a strong membership base in a few states in Nigeria. These include Lagos State, Abuja (FCT), Rivers State (Port Harcourt), Ogun State, Osun State, Oyo State. Next we launched in Nairobi, Kenya in May 2022, South Africa in November 2022 and Tanzania in January 2023. Our head office is located in the Queen City called Charlotte, North Carolina and by extension we have a growing membership in both Atlanta, Georgia

and Charlotte, North Carolina. We have grown exponentially due to the overwhelming demand for a tribe like ours to emerge as such a time as this. You are most definitely here for a reason.

For the many kingdom professionals who have joined this movement, entrepreneurship or the office space has become a platform through which they can express their love for Jesus, build their faith to withstand the wiles of corruption, grow their prayer lives, learn how to better walk with the Holy Spirit and most importantly reach the lost and win souls for the Kingdom of God.

Come Learn Why Joining Our Tribe Makes A Difference

The Tribe of Marketplace Ministers is committed to nurturing the faith of Kingdom Professionals and raising a breed of marketplace ministers. You'll find a home no matter how you found us. Here is some foundational knowledge about what has shaped us.

Our Vision

To become the premiere center for the transformation of kingdom professionals from emerging business leaders to extraordinary marketplace ministers.

Our Mission

Building a new generation of marketplace ministers; equipping them for kingdom service and world impact

The Holy Spirit

The presence of the Holy Spirit is the most important thing for a kingdom professional who is in the perverse business space in these end time season.

Love

Love is borne out of a pure heart, a good conscience, and a sincere faith. - 1 Timothy 1:5.

Peace

Great peace have they whose minds are stayed on God. - Isaiah 23:6

Integrity

The character of a man speaks louder than

his words.

We stand for justice and humanity no matter what we are faced and do not bring down our standards for earthly gains. Psalm 15.

Practice of Righteousness

Our word is our bond and we do not believe in winning by dubious means. You definitely can win righteously. - Proverbs 14:3.

Prayer

We believe in constant communication with God. We pray without ceasing, constantly inquiring of the Lord for direction and the grace to stay in His will.

Diligence

"Show me a man diligent in his works, he shall stand before Kings and not mere men" - Proverbs 22:29. The presence of the grace of God does not rule out the importance of working hard.

Sacrificial living and giving

For the sake of the kingdom of God, we give of our time, finances and other resources required. - Ecclesiastes 11:2.

Inspiring Kingdom Professionals

Besides our call to raise marketplace ministers, we have a kingdom responsibility to strengthen the convictions of kingdom professionals all over the world who are struggling (but committed) to maintain a righteous stand with God as they earn a living within a corrupt business world. We are constantly coming up with ideas to help those who join our tribe win by righteousness. We believe kingdom professionals have a fighting chance to survive the world of corruption if a brotherhood or sisterhood exists where testimonies can be shared to encourage each other.. a place where industry knowledge is exchanged to give ourselves an advantage in society.

The Link: E-Groups (specialty communities of interest @ the Tribe)

One of the initiatives we launched in February 2023 is called E-Groups. This is a virtual replacement of the in person cell fellowship meetings we held in 2022. Cells are the building blocks of all living things. They make up the different parts of a body – both in humans and in the spiritual sense of the word - body. When cells are healthy, the body is healthy. It is in this same manner we look at the body of Christ, whereby Christ is the head and there are different cells all of the same Spirit that make up the body of Christ. The Tribe believes in creating healthy cell fellowships that strengthen the convictions of our kingdom professionals to keep living righteously and to gain an advantage in business.

The E-Groups comprise of several industry-specific networks of our members who meet twice a month to discuss the latest trends in their specific industry, share knowledge and experience as well as encourage each other by taking a deep dive into scriptures to find the best way to handle daily challenges unique to their line of business.

The E-Group is the platform to meet kingdom professionals who live outside of your country but also function in the same industry as you. For instance someone in the fashion industry in Kenya now has a chance to fellowship with and network with fashion industries in Ghana, Nigeria, South Africa, Tanzania, etc. Since the meeting will hold virtually, this eliminates all forms of barricades that would have prevented such a cell fellowship from happening.

Each group meets twice a month and is intimate enough for you to be heard and to hear the testimonials of other kingdom ministers as they share their experiences and knowledge base in the same industry or area of interest. By converting our in-home cell fellowships to virtual groups that meet online, we cross the barrier of limitations that is consciously imposed by country-border lines and the lack of commute time to visit each other whilst still having powerful deep conversations. By initiating these virtual groups, we hope to encourage cross-country networking and commerce, by making these virtual platforms available under the umbrella of The Tribe of Marketplace Ministers. However, we strongly advice each member to conduct their due diligence research on each company and individual they intend to get into a joint venture with.

RAISING MARKETPLACE MINISTERS

The end goal of this Initiative is to raise giants in the business world, who double as marketplace ministers in their respective industries and various mountains of influence. Marketplace ministry is everything that extends beyond the four corner walls of a church. "The great commission in Mark 16:15-16 states – Go ye into all the world and preach the gospel to every creature." The world has known and celebrated pulpit ministries and ministers but have known and seen very little marketplace ministers. We believe that every Business Enterprise or Company, should inculcate the furtherance of the Gospel and that of the Kingdom of God. Thus explaining our tagline – your business/profession is your pulpit! It is to this end that we strongly believe the fivefold ministries can be just as effective outside the four corner walls of a church, as it pertains soul- winning and the discipling of souls to make Heaven. At the tribe, every Kingdom professionals has the option to take a step further and explore their call as an apostle, prophet, evangelists, pastor or teacher. And so our school of marketplace ministry makes available online trainings to explore your potential in any of the fivefold ministry areas, the description of Marketplace Ministers and it is our vision to see them flourish spiritually and in their business.

It was imperative that an initiative like this come out at such a time as this, to help our kingdom minded professionals survive the terrain of the marketplace and grow in their knowledge of God. If Kingdom professionals must maintain a righteous stand with God, yet run profitable ventures/gainful employment to sustain their families, they most definitely need others who can carry the burden with them so the law of Christ may be fulfilled – Galatians 6:2. It is to this end, we take the gospel to their place of doing business, the marketplace!

Encountering God through Kingdom Professionals.

The Need for true market-place ministries

Our first duty as Kingdom Professional is to strengthen our faith so we don't bend our convictions in exchange for monetary gain. Next we have a duty to other people who are not yet enrolled in God's Kingdom by an act of their confessing Jesus as Lord and Savior. Marketplace ministries share the same goal as pulpit ministries. It is the salvation of souls and the discipling of souls to make heaven. The world is full of people hungry and thirsty for an encounter with the Living God. A lot of these people dabble into businesses due to the economic conditions in their respective countries. However they don't particularly care to visit a church and encounter God mostly because they were either born Muslim. Others are not predisposed to visiting a church because of how they were raised.

A person going through the motions of life needs a true encounter with God. If people are going to be strengthened and build their faith or conviction in God, we must take what's available in the church to them in the marketplace. A true encounter happens at the altar and an altar is anywhere divinity meets with humanity. Thus, the altar of God is not restricted to pulpit ministries. A kingdom professional can become a walking altar (by virtue of their walk with God) when they take up their role as a marketplace ministers. At The Tribe of Marketplace Ministers, we have a slogan that states your business is your pulpit. And so your office where business is conducted on a daily basis, can become an altar due to it being consecrated to God, a reflection of your commitment and depth to walk with God. The Tribe of Marketplace Ministers is a training ground both for kingdom professionals and marketplace ministers.

From Kingdom Professional to Marketplace Minister

Every new member joins as a kingdom professional. At this basic level they may partake in e-group meetings and come to the prayer meetings and Bible study to build their faith. They may choose to move up by starting on their pathway towards being an effective marketplace ministers. For a member to move from being a kingdom professional to begin their journey towards marketplace ministry, the entry point is to register for the prayer training program which is under the prayer department. This department holds a review meeting once a week on Fridays. This prayer training is an intensive 3 months self-pacing program to equip our Members with the knowledge of building and maintaining an effective prayer life. There is no ministry without prayer thus the beginning of effective marketplace ministry is truly a vibrant prayer life. Attending our prayer meetings are not optional for anyone who intends to embrace the call of marketplace ministry.

The Tribe's Pillars

To achieve our mission, we runs on three main foundational pillars. Our internal departments have been extremely instrumental in helping each pillar and so we appeal to you to consider volunteering at one of our in-house departments. Their respective functions are listed below

1. Spiritual Support Systems (Marketplace Ministers Fellowships, Discipleship Class & Weekly Prayer Meetings)
2. E-Group & Breakthrough Centers (virtual and in-person cell fellowships – a nurturing ground for Kingdom professionals)
3. Marketplace Ministry Arms (Prayer Training, & The School of Marketplace Ministry)

Spiritual Support System

Our goal is to create a spiritual anchor for kingdom professionals and marketplace ministers of the gospel of Jesus Christ who want to learn and vent in the place of prayers.

There are established organizations that support pulpit ministries such as PFN, CAN etc, in Nigeria and Africa at large. Unfortunately, there isn't a specific one catering to marketplace ministers of the gospel of Jesus Christ. Greater impact in the marketplace requires these professionals being well supported and connected to each other. Specifically, because of the lost who may never find their way into the Church. Our spiritual support system offers a meeting time on Mondays for Marketplace Ministers Fellowship (prayer + bible study), and Discipleship Class on Wednesday (prayer + bible study).

Marketplace Ministers Fellowship (MMF)

The Marketplace Ministers Fellowship is one of the programs of our spiritual support system, which gives each Tribe Member a family in the marketplace. At MMF, kingdom professionals and marketplace ministers learn about kingdom impact and how to pray concerning their affairs. MMF is that fellowship where burdens can be unladen and wisdom can be obtained. MMF is that fellowship that connects you with like-minded Christians who are full of integrity and the fear of God and are focused on expanding His Kingdom in the marketplace. Our MMF holds every Monday at 5pm Ghana time, 6pm Nigeria, 7pm South Africa & Central African, 8pm East African time and 12noon U.S Eastern Standard Time (in the winter months – but 1pm EST when the time changes)

Discipleship Class on Wednesdays

Mark 3:14 say, "He appointed twelve that they might be with him and that he might send them out to preach" The being with Christ is very vital before the sending out because when a kingdom professional is not well equipped, it will tell in their productivity. More than ever, we believe we must be vigilant in training kingdom professionals in the word of God. The Discipleship Class is our means of equipping our members to be prepared for the marketplace.

On Wednesdays we focus on brief prayers then take a deep delve into our discipleship manual which helps you understand your role and place as a Kingdom Professional in the society.

Breakthrough Centers/Prayer Cells

This is an in-person, cell fellowships entirely focused on prayer. It is a 1-hour prayer meetings to tackle a 5-fold agenda.

5-FOLD AGENDA:

1. Prayers for the Tribe's members in your specific country
2. Prayers of Agreement to tackle issues in each cell members' business or family
3. Prayers for each cell members' industry
4. Prayers for the growth and expansion of the Tribe within your country
5. To facilitate the creation of prayer projects for the group to keep praying on during the week till accomplished. Our iOS and Android based application called Prayer Watch can be used to create and track these Prayer projects.

Any of our trained prayer leaders in any country can sign up to begin a prayer cell. It can be at home or an office location

RULES:

The host/leader determines the frequency, day and time of meeting.
You just need 2 to 3 people around you to start a breakthrough center.

ADVANTAGES

1. The breakthrough center gives us an opportunity to tackle each person's needs in great detail.
2. Also, the Tribe members who have been asking for a physical meeting get the opportunity to meet and bond with other Kingdom Professionals in their city

BENEFIT TO YOU:

Our altar at the Tribe is linked to the altar being raised at your cell location. This, along with other scriptural references, are a few of the assurances that God has given us that when we pray, we will receive answers to those prayers.

Our Internal Departments (How You Can Help Us Grow)

Each Tribe Member is called into marketplace ministry with an end goal of winning souls for the Kingdom of God. Though our platform is an avenue to express our love for God through marketplace ministry, we share a common goal with pulpit ministry which is the salvation and discipling of souls to make Heaven

We have created five (5) unique streams through which you, as a member of our tribe can take your commitment to this vision to the next level. By volunteering to serve in one of these areas listed below, you are playing a role in reaching more Kingdom professionals and recruiting more marketplace ministers who can truly become the salt of the earth and the light of the world. If indeed we are salt, our place is out in the marketplace of nations and industries not within the four corner walls of a church. You can take your spirituality to the next level by serving God in Spirit and

through a genuine initiative that touches the heart of God.

Please note that you as a member, may choose to join more than one department as long as you have the flexibility of time to serve and show up for their meetings willingly

Prayer Department

“Men ought always to Pray and not Faint”
– Luke 18:1

As an organization, we believe in the place of prayer to change lives and businesses of those who are members of our Tribe. Our prayer department which is called Prayer Training host the prayer force meetings that hold on Mondays, Wednesdays and Fridays. This is mandatory for all Tribe Members who are in training to become marketplace ministers - we believe kingdom professionals ought always to pray and not faint. The failure to pray will result in a direct fainting spell in the course of doing business. We keep our prayer altar active and on fire in order to maintain the convictions of our faith and walk with God.

The participants of our prayer training are also trained to lead prayers at each of our Tribe gatherings. They are well informed on how to operate and work in their full spiritual potential through the enabling of spiritual gifts

Kingdom Funders Department

Our kingdom Funders department is primarily focused on contributing towards the successful growth of our Tribe by raising funds to sponsor growth initiatives, our prayer meetings, launch activities in new cities and administrative expenses that may come up in the course of running our programs. Our secondary goal as a ministry is to support initiatives run by a few pulpit ministries which lead to a massive harvest of souls for the Kingdom of God.

As marketplace ministers we are aware that every blessing comes from God through

are aware that every blessing comes from God through men. Thus, our Tribe constantly seeks to be a platform that funds legitimate kingdom initiatives that is dear to the heart of God. We are passionate about sponsoring crusades in the furthestmost parts of the earth; dedicated to funding missionary trips and building the temple of God (both the physical church building and men, Acts 7:48).

The kingdom funders department is responsible for putting the budget together for each in-house project and breaking it down to achievable milestones so we can reach them. Our Tribe as an organization does not take offerings, however we are open to partnerships from those who want to sow into the vision to help us grow.

Outreach Department

"For I was hungry and you gave

me something to eat. I was thirsty and you gave me something to drink. I was a stranger and you invited me in. I needed clothes and you clothed me. I was sick and you looked after me. I was in prison and you came to visit me." – Mathew 25:35-36

The Outreach department at The Tribe consist of Volunteers willing to reach those in Prisons, Hospitals as well as helping Communities in Remote Villages in Africa and Asia. Also, visits to Orphanage Homes to share of the love of Christ. Projects that are executed in these communities are digging of boreholes, payment of tuition for primary and secondary education, feeding program for the homeless and other empowerment programs. This Marketplace Ministry department is for you if you are extroverted and love to interact with people.

Helps Department

1st Corinthians 12:28

– And God has placed in the Church first of all Apostles, second Prophets, third Teachers, then Miracles, the Gifts of Healing, Gifts of Helping, of Guidance and of Different Kinds of Tongues.

Have you been gifted with a willingness to serve others? Are you passionate about organizing and coordinating events, programs and the likes? Perhaps you love to work behind the scenes and see satisfaction in everyone having a great time. If this sounds like you, the ministry of helps will be perfect for your personality.

Our helps ministry was created to send volunteers to help with large crusades and conventions held by various pulpit ministries as a joint collaborative effort to win souls for the Kingdom of God. The helps ministry offers human resources and time to create the perfect program as it pertains to pre-organizing and post clean-up. Those in this department also help call and follow up with members of our Tribe.

Evangelical Department (Forerunners)

“The fruit of the righteous is a tree of life and he that wins souls is wise.”

– Proverbs 11:30

Due to the busy lives kingdom professionals live, we have created a separate group dedicated to evangelism and business-to-business outreach. The role of active marketplace ministry is to preach the gospel to every creature and prepare a harvest of souls for our Lord and Savior Jesus Christ. This is the most fun and most impactful Ministry Arm of our Tribe as you get to see real life impact through evangelism outreach.

Just as Jesus sent out the seventy, members of the forerunner department partake in creative avenues to reach lost souls online and on ground. Members of this department consist of those who are influential on social media platforms such as YouTube, Facebook, Instagram and Twitter.

We believe in the effectiveness of doing this in one accord to reach the online community more effectively. If you would love to kickstart your Marketplace Ministry experience through evangelism, please kindly indicate your interest during your interview and we will be glad to enroll you.

Annual & Monthly Corporate Fasting

Fasting is one of the greatest demonstrations of our faith. It makes us conform to the perfect and supreme will of God over lives. It is for that reason that our Tribe believes in giving a tithe of each New Year and each new month to God. He is our author and finisher (alpha & omega) and so we believe He has the knowledge of everything in-between the beginning and the end of each new month and year. For that reason we consecrate as holy, the first 21 days of each new year (between the 2nd and the 22nd) and the first 3 days of each new month (1st through the 3rd) by waiting on God so that He may proclaim a blessing and make manifest His will for the rest of that season. By this act, we make the rest of the year and the rest of our month holy before God.

Faith & Works Clinic

John 1:17 says, "For the law was given by Moses, but grace and truth came by Jesus Christ." And the truth is that faith without work is dead. Hence, our Tribe hosts a Faith & Works Clinic every Friday to supplement all the spiritual learning.

The Faith & Works Clinic is a business review session where a panel of seasoned entrepreneurs assess, critique & provide constructive feedback to business owners willing to scale their business for more impact and profitability.

School of Marketplace Ministry

When a kingdom professional is well fed, the next step is to take his or her commitment to God to the next level. This is what we call answering the call to marketplace ministry. A marketplace minister is simply someone who has come to the awareness that God has offered them a business platform as leverage to reach lost souls for His Kingdom. This has produced the slogan, “your business is your pulpit”

The first step a kingdom professional who's looking to take the next step and become one of the marketplace ministers at our Tribe is to follow the list of activities below:

1. Refer one other kingdom professional besides yourself (our growth is organic and we are counting on you to refer someone you can vouch for)
2. Register for our prayer training program. This is a free 3 months training course that teaches you both basis & advanced principles in prayer.
3. After the completion of the first month of the prayer training program, you may request the spiritual gifts assessment test from the admin team.
4. Once test results are out, submit it to the admin team who will review and confirm you can be registered for the specific school of interest.
5. You may then apply to the school of marketplace ministry and pay the fee of \$100. This will need to be paid using U.S dollars. Funds paid to the organization helps run our administrative team so we can keep the Tribe functioning optimally for the greater good of everyone. It may also be paid via PayPal by sending your fee to ***thefoundation@luvanexgroup.com***

6. You may begin watching the class at your pace however you will also be required to continue watching the prayer training program. Alternatively you have a choice to finish the prayer training program before you start the school of marketplace ministry either as an Apostle, Prophet, Evangelist, Pastor or Teacher in the marketplace.

7. Please note: it is a violation of the organizations policy to share your username and password with anyone else who has not registered and paid the tuition fee. Please note that the IP addresses are monitored by our web administrative team. If found in violation your account will be deactivated immediately. If your account is deactivated you will not be eligible for a refund.

8. You may be paired with a mentor depending on the admin team determining that you will benefit from a personal mentor.

Mentors are matched from the previous class and they are unpaid by the organization. If you are matched with a mentor, please respect their privacy and their time as they are fellow kingdom ministers who run thriving businesses.

9. Practical sessions that help you put into practice what you have learned thus far, will begin after the theory aspect of the trainings are completed. An exam may also be issued to ascertain what degree of knowledge you have been able to retain

10. Once you complete your school of marketplace ministry you will then be certified and eligible to hold a ministry meeting for kingdom professionals in your local vicinity and on behalf of our Tribe.
