WALKING IN THE SPIRIT

2025 NEW YEAR'S MESSAGE

Welcome to January 2025. We have a duty to waste on the altar in fasting and prayer throughout this month. We're going to have different people leading prayers and I want to encourage each and every single person to make it a point of duty to join the prayer at the appointed time.

If you are fasting, it needs to be accompanied with prayers. I'm not sure how our respective churches may be doing, if your church is not meeting every day we have an altar that we'll meet daily for 30 days. We are consecrating this time to wait on the Lord in fasting and also to waste in prayer, that's how we lay the foundation of a new year.

The reason this altar is very important is because when we come together in agreement to pray and lay the foundation of a new year, you have different people come together on an altar, you have a coming together of different graces, different people that are carrying different anointing... It's always a gathering of saints literally.

The Lord used a man of God to illustrate something to me in a vision. He showed me the number of angels that were attached to one person. The moment the person dropped the microphone and left as service, all of those angels packed their loads and left with him. Then, I began to understand how things were structured in the spirit.

In the spirit realm, there are certain anointing and graces that will be functional that will activate the ministry of certain entities and functionaries because people are present on the altar. We don't know God's dealings with different people but this is one of the reasons we come together.

An altar is a place where humanity meets with divinity. If it's humanity alone, it is not an altar. If divinity meets with humanity, there at that particular second it becomes an altar. It can be a person, a time, or a place. What attracts divinity is the consistency.

If we pray at a certain time and make it consistent for 30 days, then we will attract divinity. We don't take for granted the gathering of believers because when we begin to waste on the altar, what God does is divinity is present and they carry our prayers, it rises up as incense towards heaven.

Maybe your incense had not gone far in your home because you're struggling with something or you've been praying for one prayer point for a long while but per advantage, a person that has secured favor with God might be on the altar, as they begin to pray, your incense is mixed in and ascends easily. That's how the grace for access works, it's mixed in and then it can reach God. It's an easier journey, we can ride on each other's incense. That's the beauty of a prayer altar.

The Bible says in Psalm 118:27, "The Lord is God, and he has made his light shine on us. With boughs in hand, join in the festal procession up[a] to the horns of the altar".

You did not come into this year by your strength, or by your power. Not by your doing, not by your wisdom. There are those that 2024 marked the end of their Journey on earth but you happen to see January 2025. You have every reason to join in the festal procession up to the horns of this altar.

In Proverbs 24:3-4, the Bible says, "By wisdom a house is built, and through understanding it is established; through knowledge its rooms are filled with rare and beautiful treasures.

A new year is like you trying to build a new house. When you see a new year, you don't know the challenges that will face you. It's very similar to when you are building a house. When you think of a new year, you don't know what will come across in the month of March or June. Just like when constructing your house, you don't know if you will hit a problem in the foundation or if the state will say that your building is on the wrong location.

When this scripture says. 'Through wisdom a house is built, we can also say, through wisdom 2025 is built by, understanding 2025 will be established. By knowledge every month in 2025 which is like the rooms in a house will be filled with all precious and pleasant riches.

The first question we must ask ourselves is how do we get wisdom?

- Ask the spirit of God for wisdom. James 1:5.
- The spirit of wisdom comes through the fear of the Lord. Proverbs 9:10-12
- Be establishment in God's word. Without understanding a person can't be established.

The Pathway to Understanding; Luke 24:44-45

Understanding comes in few different ways. Spiritual understanding is attached to the mind, if it's not open you won't comprehend, grasp or have access to depths of scriptures.

- The spirit of understanding is also a way we get understanding. What Solomon asked for was an understanding heart but what came with it? The whole package came because wisdom is also linked to understanding.
 - The entrance of God's word. Psalm 119:130. The entrance of God's word is when you begin to meditate on the word, it finds a way past your soul and it finds a way to sit down into your spirit and settles there.
 - The Lord is the giver of wisdom. Proverbs 2:6.
- Knowledge and understanding comes as the proceeding word from the mouth of God. Matthew 4:4

Sometimes the issue is not that God is not speaking, the issue is that we cannot hear because there's so much clutter in our spirit, mind, and soul. There's so much that we taking on. We're in a haste, sometimes we are presumptuous, sometimes we let our will get ahead of God's will for our lives, and when that happens even if God is speaking you won't be able to hear.

It should be from his mouth to your ears if you would receive knowledge that will fill your house in 2025 with all kinds of precious and pleasant riches. Every word that comes from his mouth, you should be able to capture and run with it. Sometimes, we lack the right guidance. We do things the wrong way. Hence, we are not able to hear what God is saying properly so we end up confused.

If you are open to the spirit realm like you would be in the fasting season, there are many spirits that can speak to you. You have to be able to capture the words coming from his mouth they are carrying the spirit of knowledge. The spirit of knowledge it comes to those who are hungry and thirsty.

When you consecrate yourself through fasting and prayers to God you are separating yourself from the rest of the crowd. A blessing can alight on your head because you are separated. If you don't know about the blessing of separation, the enemy will try to cheat you.

Don't waste this fasting and prayer season. Let your separation count for something. God wants to pour out a blessing. The intention of all the prayers we are making is to properly angulate ourselves and align so that we can receive what God is doing and what God wants to do in our lives and through our lives.

Many of us are the forerunners for our families. We are the ones that will bring light into that family in this new year.

Happy 2025
